PRODUCT STORY— G Gentlemen® Collection

Give yourself a reason to be Bold with this Resilient DHA Bronzer. Formulated with DHA, DermaDark® and other Natural Bronzers to provide imposingly dark results. The Ultimate Skincare Blend includes Niacinamide to help boost hydration while Glycerin lays the foundation for a solid tanning canvas. Coconut Water revitalizes and softens for exceptionally smooth skin. Dare to be fearless and go after what you want. The luxurious ColorGuard™ Tattoo Technology hydrates deeply to give tattoos vibrancy and help prevent those works of art from fading. Be Bold by G Gentlemen® with the darkest DHA in the line!

SKINCARE TECHNOLOGY

Resilient DHA Bronzer: Unleash an innovative blend of DHA, DermaDark® and additional Natural Bronzers that provide immediate dark results, smooth touchable skin and darker, perfectly developed color.

Ultimate Skincare Blend: Harnessing the power of Niacinamide and Glycerin, this fusion delivers smooth hydration to the skin, creating a strong base for vibrant, striking color.

Hydrating Coconut Water: A generous amount of Coconut Fruit Juice works to regenerate, revitalize and soften for resilient, youthful skin.

ColorGuard™ Tattoo Technology: Enhanced with Tiger Grass, this technology creates a protective moisture-seal blend that helps prevent tattoos from fading and preserves the vibrancy and longevity of your ink.

Superb Silicone Blend: A combination of silicones that allow for quick absorption into skin while also providing superb spreadability and a luxurious, velvety after-feel while sealing in moisture for longer-lasting bronze results.
