### PRODUCT STORY— *Excursion Collection*

Enjoy the scorching sands and blazing days in Melrose! Summer Sun Bronzing Blend perfectly pairs with Oasis Tingle Complex to create sizzling color with Caramel and Annatto for a dark complexion. Dripping in Vitamin C, Desert Honey Myrtle provides smoother, hydrated skin. Naturally Kissed Radiance gives a glowing appearance without feeling oily. Have fun under the sun and bask in the Oasis Heat™!

### SKINCARE TECHNOLOGY

**Summer Sun Bronzing Blend:** Where Annatto, brimming with antioxidants designed to nurture skin health, is intertwined with Caramel to unveil breathtaking instant tanning results.

**Oasis Tingle Complex:** A divine elixir that ignites microcirculation within the skin, unlocking a deeper and darker tan while giving skin an immediate flush of radiance for an irresistible glow.

**Melrose Skin Care Technology:** Where the richness of Vitamin C meets Desert Honey Myrtle, a cherished Native Australian ingredient that fuses with a humectant to award smoother, more luminous skin.

**Naturally Kissed Radiance:** Delivers a natural, non-greasy finish that enhances the appearance of flawlessly even and radiant skin.

**ATO Inhibitor:** Witch Hazel keeps unpleasant after-tan odors from forming, to feel the heat without the worry.

**Hydration Booster:** Gluconolactone helps provide gentle exfoliators that work to improve the overall texture for smoother and brighter skin giving an ultimate flawless finish.
